Entrance Doors

Stylish Security

Combining **superb good looks, unique styling** and **enhanced security**, our doors look great and protect your family.

Years of development result in doors which make an individual statement and add value to your home.

We offer stained glass effects, plus a huge range of patterned and obscure glass.

All our aluminium entrance doors have been stringently tested and are certified to PAS 23 for weather performance and PAS 24 for enhanced security.

So you can be sure that your new door will give you and your family complete protection from the elements and will definitely deter any unwelcome intruders.
