Bi-folding doors

Having now installed new equipment **in our factory** we are keen to promote the latest advancements in sliding door technology. **Bi Folding doors** are taking the market place by storm; after many years of faithful service there is now an alternative to patio doors. Slim line Bi Folds offer many unique features, such as **clear view** and **unobstructed access** to your outside space or conservatory. We manufacture them in many configurations to suit all needs, available in Aluminium and PVC - the choice is yours.

Composite doors

These doors can be **traditional** or **contemporary**. Our vast range of designs and colours will suit all styles of property. These unique doors feature **the latest advancements** in lock security, **Anti Bump, Anti Pick, Anti Drill, Anti Snap and Extraction.**

Registered Office: 1 Lagoon Road, Cray Avenue, Orpington, Kent BR5 3QX Registered in England 1824366 FENSA Registered No. 17728

Our composite doors are Secured By Design (Police Accredited) and have achieved BS 6375 & PAS 24. With 67% of burglars entering through doors, security combines with style & energy-efficiency to make our doors a wise investment.

Traditionally I'm yours

Every home has its own character, in the past the choice of replacement windows was limited. Today we manufacture new Heritage ranges which enable our customers to choose Authentic looking windows such as Sash & Critall replacements. Available in wood effect and full range of authentic colours. For the discerning customer the choice means there really is no excuse not to save money by replacing your Windows, Doors and Conservatory. Now all you have to do is pick up the phone.

Upgrade For Free This Winter

During our sales promotion, all windows will be upgraded to **Planitherm Total Sealed Units**. These units benefit from the latest technology and have Energy Saving Glass, Argon Gas and the newest Warm Edge Spacer. Thanks to the latest technology, these units provide the most natural view of the outside space.

Also during this promotion all windows specified will be upgraded to **Easy Clean Fire Escape Hinges**. These versatile hinges allow easy cleaning from the inside and provide full access - now there's an offer not to be missed.

Ideally, wouldn't you prefer to see clearly?

- ✓ Save money
- ✓ Reduce Co2 emissions
- ✓ Enjoy a clearer view

Enjoy free upgrades this winter
